I have the honour to submit herewith a
copy of Taluk Board resolution No. 110/15-7-1932 and to
state as follows : -

The work of sinking and steining a well at
Cherkady (incomplete work of 1930-31) was undertaken
for completion during 1931-32 and it was proposed to be
executed out of the Government grants sanctioned in G.O.No.

1071 P.H., dated 12-6-1931 for rural watersupply.

2. The work was completed and checkmeasured in the month of February 1932. But as the matter was -- under correspondence till about the 26th March 1932, -- payments were not made by the District Board Engineer, South Kanara. The work was however paid for by the said officer on 30-3-1932 and this intimation though reported to have been given to me on that very day, reached me only at 4 P.M. on 31-3-1932 in my camp at Brahmawar. Thus there was no opportunity for the Taluk Board to claim the proportionate cost of the work from the Government grants before the --- close of the financial year.

3. In their Memorandum No. 12431/1C, I&M., -- dated 31-3-1932, the Government have been pleased to permit District Boards to claim Government grants for Village communication works paid for in 1931-32, out of the grants to be sanctioned in the current financial year. In the -- circumstances stated above, I request that the Government may be pleased to show the same amount of concession in respect of rural watersupply works also, so that the Taluk Board may be able to draw the proportionate grants for -- the Cherkady well work (paid for in the last financial year), from the grants sanctioned this year in G.O.No. 1195 P.H., dated 2-6-1932.

4. A copy of the letter N.Ref. 711 D.E. 32 dated 11-4-1932, from the District Board Engineer, South Kanara, explaining the circumstances under which the payments were delayed, is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

Copy of Ref. 711 D.E.32 dated 11-4-1932 of the District Board Engineer, South Kanara, to the President, Taluk Board, Udipi.

Subject : - Cherkady well - delay in payment for the work- reasons explained.

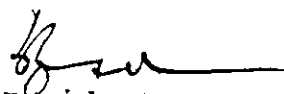

With reference to your letter noted above, I have to state as follows : -

On receipt of your letter Dis.No. 176 UTB/32 dated 18-3-1932 received by me on 21-3-1932 regarding your inability to pass orders for the payment of the Cherkadi well, the matter being a technical one, my predecessor referred the matter in this office letter Ref. 731 D.E.31 dated 28-3-32 to the Assistant Engineer, Udipi, for personal inspection of the well and report, if the work done was sound. The Assistant Engineer, in reply, reported in his letter II F. Dis. No. on C.No. 263 A.E.U/31 dated 26-3-1932 received on 28-3-1932 that the work as rectified was sound and could be passed. The bill was accordingly paid on the 30th ultimo (28th and 29th being holidays) on the strength of the final report of the Assistant Engineer and the amount paid was intimated by wire the same day, so that arrangements could be made to present the claim at the treasury the next day. This official wire intended for you could have been opened in your office, in your absence in camp, and necessary action taken in time instead of sending the wire to your camp.

Please return to me early the revised agreement of this well forwarded to you with my letter Ref on C.No. 739/31 dated 23-3-1932.
